Used for learning purposes only, C1 refers to the first column and R1 refers to the first row, both originating from top left.

- 1) R5 - Color the whole row of 10 squares to complete block of 10.
- 2) C5 & C6 - Starting in the top square, color block of 7 and block of 2, separated by one square of 2nd color.
- 3) R6 & R7 - Starting in the first square, color block of 2, finish block of 4, color block of 2, and finish with 2nd color in-between each block.
- 4) R3 & R4 - Color block of 3, block of 2 already done, color second block of 3, finish with 2nd color.
- 5) C3 & C8 - Color two more squares to finish block of 5, color in block of 3 at bottom.
- 6) R1 & R10 - Color two squares to connect the others to form block of 6, finish with 2nd color.
- 7) C4 & C7 - Complete blocks of 2 and finish with 2nd color.
- 8) R8 - Complete two blocks of 3.
- 9) C1 & C10 - Block of 6 complete, finish with 2nd color.
- 10) C2 & C9 - Shade last two squares to complete block of 8.

Congratulations - you are done! These steps can be varied of course, just remember to do what you know first and the rest will follow.
